Mr. Quang Nguyen
Capital Projects Principal Engineer
City of Moreno Valley
P.O. Box 88005
Moreno Valley, CA 92552-0805

Dear Mr. Nguyen:

Your letter dated January 17, 2024 requested an allocation of State SB 198 funds and Federal Promoting Resilient Operations for Transformative, Efficient, and Cost-saving Transportation (PROTECT) funds from the Local Transportation Climate Adaptation Program (LTCAP) for project (project location: Area bounded by Locust Avenue on the north, State Route 60 freeway on the south, Moreno Beach Drive on the east, and Nason Street on the west.). The State hereby makes the allocation in the amount of \$700,000.00 of State funds for Preliminary Engineering phase of this project effective March 22, 2024. You may now proceed with the Preliminary Engineering phase of the project. Any work for the Preliminary Engineering phase that has been approved for funding and is performed after this date will be eligible for reimbursement.

A separate request for authorization to proceed (E-76) is required prior to the start of reimbursable work for projects receiving Federal funds.

Please refer to the Finance Letter for the complete approved funding of all phases for this project.

This Office will soon send you a Program Supplement Agreement for execution, along with a Master Agreement if one has not been executed. Please do not submit invoices for this project until the agreements are fully executed by both you and the State.

Invoices are to be submitted at a minimum of every six (6) months in order to remain active.

Your attention is directed to the Local Assistance Procedures Manual, Local Programs Procedures, and current CTC LTCAP guidelines for detailed instructions and information.

If you have any questions, please contact your District Local Assistance Engineer.

Sincerely,

Raimund Gamba
