

Report to City Council

TO: Mayor and City Council

FROM: Jesse Park, Fire Chief

AGENDA DATE: November 19, 2024

TITLE: Governor's Office of Emergency Services Designation of Applicant's Agent Resolution for Non-State Agencies

TITLE SUMMARY: Governor's Office of Emergency Services Designation of Applicant's Agent Resolution for Non-State Agencies

Recommendation(s)

That the City Council:

1. Adopt Resolution No. 2024-XX to approve Governor's Office of Emergency Services Designation of Applicant's Agent Resolution for Non-State Agencies and authorize the Fire Department Office of Emergency Management and Volunteer Services to submit it to the Governor's Office as required.

SUMMARY

Every three years the Governor's Office of Emergency Services (CalOES) requires all cities within the State of California to submit a current Designation of Applicant's Agent Resolution for Non-State Agencies form. The positions identified on this form are designated as the City's authorized agents through December 2027. Authorized agent positions may be amended at any time with City Council approval and re-submission to CalOES.

DISCUSSION

The identified agents are authorized on behalf of the City of Moreno Valley to request and obtain financial assistance under Public Law 93-288 as amended in the Robert T. Stafford Disaster Relief Act and the Emergency Assistance Act of 1988. Agents may also obtain

or request state financial assistance under the California Disaster Assistance Act.

ALTERNATIVES

1. Adopt Resolution No. 2024-XX to approve the Governor's Office of Emergency Services Designation of Applicant's Agent Resolution for Non-State Agencies and direct the Fire Department Office of Emergency Management and Volunteer Services to submit to CalOES as required. This action is recommended so that financial assistance may be requested during an emergency or disaster.
2. Do not adopt Resolution No. 2024-XX approving the Governor's Office of Emergency Services Designation of Applicant's Agent Resolution for Non-State Agencies. This action is not recommended as it would negatively impact the City's ability request or obtain financial assistance during an emergency or disaster.

FISCAL IMPACT

There is no fiscal impact as a result of the agent designations or adoption of this Resolution.
