The City recognizes the Union as the exclusive representative of the General Unit ("Unit") in accordance with Resolution No. 92-110 of the City and MMBA. The General Unit includes all career full-time and career part-time non-exempt and non-sworn employees of the City. 3.3 Existing Conditions of Employment

It is agreed and understood by the parties that all existing wages, benefits and terms and conditions of employment not addressed or not specifically changed by this MOU that are within the lawful scope of the meet and confer process shall remain in full force and effect during the entire term of this MOU.

Each party hereto agrees that it has had a full and unrestricted right to make, advance, and discuss all matters within the scope of representation in accordance with state laws and city rules and regulations. Except as otherwise provided herein during the term of this MOU, the parties expressly waive and relinquish the right to meet and confer except by their mutual consent with respect to any desired changes in conditions of employment, whether referred to or covered by the MOU or not, even though each subject or matter may not have been within the knowledge or contemplation of either or both the City and Union at the time they met and conferred or executed the MOU, and even though subjects or matters were proposed and later withdrawn. Nothing herein is intended to limit or restrict the parties from making changes to this MOU during the term of the agreement subject to mutual agreement of the parties.

Union representatives will be granted reasonable access to City facilities and employees for purposes of investigation of grievances and official Union business, provided Union representatives shall provide twenty-four (24) hours advance notice to the supervisor in charge of the work area that is being visited. Such visits shall not interfere with normal operation of the department. In case of an emergency, the twenty-four (24) hour advance notice will not be required, provided the Union representative provides advance notice to the supervisor in charge as soon as reasonably possible.

If the employee is denied this service by the City's bank, the direct deposit requirement for payroll will be waived.

8.9 Probationary Period

The Probationary Period will be 12 months for new employees hired on or after July 1, 2012. Written evaluations shall not be prepared for probationary employees during the probationary period. At least one performance related discussion shall be held by the immediate supervisor at the 6-month point, with a signed acknowledgment by the probationary employee that said discussion occurred. Evaluations must recognize individual employees' distinct accomplishments and hold each employee accountable for fulfilling his/her assigned duties in a professional manner. To assist in meeting this essential management responsibility, the City will engage the services of a consultant with extensive public and private sector experience to review the City's current process and recommend a specific training regimen for all raters. Success in this area will require that Managers, at all levels, are held accountable to provide employees with ongoing verbal feedback and meaningful performance evaluations which: (i) Reflect unique performance levels of each rated employee; (ii) Represent the culmination of ongoing verbal feedback

provided throughout the rating period; and (iii) Are reviewed and approved by Department Directors prior to being presented to rated employees (to ensure that raters are meeting the City's commitments as outlined herein).

Generally, to qualify as an annuitant, the individual must have an effective retirement date within 120 days of separation of employment from the City and receive a retirement allowance from CalPERS. As required by applicable statutes or regulations, annuitants must enroll in Medicare at age 65 or as soon as they become eligible.

Employees hired on or before September 30, 2011 who retire under the CalPERS retirement system with a minimum of five full-time years of service with the City, shall also be eligible to receive a reimbursement for medical coverage which is the lesser of the cost of medical coverage for the retiree and spouse, or a maximum employer reimbursement of \$318.73 per month. Employees must provide documentation of medical coverage and receipts of payment of medical insurance premiums, as requested by the City or its third-party administrator, evidencing proof of payment in order to be reimbursed for any or all of the \$318.73 per month. For retirees who are enrolled in the City's CalPERS medical plans, this amount is in addition to the City's PEMHCA minimum contribution. In the event of the retiree's death, the surviving spouse continues to be eligible to receive the benefit, so long as the surviving spouse continues to qualify as an annuitant and continues enrollment in the CalPERS medical program.

Employees hired after September 30, 2011 will not be provided the City paid retiree medical benefit described in the paragraphs above, but shall be eligible for the PEMHCA minimum contribution if they qualify as an annuitant and enroll in the City's CalPERS medical program as a retiree.
