OVERVIEW

Historically, the City of Moreno Valley (the “City”) has received federal funding on an annual basis from the Department of Housing and Urban Development (HUD) for two formula block grant programs: Community Development Block Grant (CDBG) and HOME Investment Partnerships Program (HOME). Since Program Year 2013/2014, the City has also been a direct recipient of Emergency Solutions Grants Program (ESG) funds.

Descriptions of each formula block program (HOME, ESG and CDBG) can be found in Sections II, III, and IV of this report.

The following subsections provide an overview of the Five-Year Consolidated Plan, the Citizen Participation Plan, the Annual Action Plan, Objectives and Policies, and the Fiscal Year (FY) 2025/2026 Application Process and Review.

The Five-Year Consolidated Plan

Every five years, the City of Moreno Valley prepares a Five-Year Consolidated Plan (ConPlan), which describes community needs, resources, priorities, and proposed activities to be undertaken under certain HUD programs, including, HOME, ESG, and CDBG that benefit low and moderate-income households and neighborhoods.

The HUD approved Consolidated Plan for Fiscal Years 2023/2024 through 2027/2028 outlines the following goals and strategies:

Public Facilities and Infrastructure Activities

Fair Housing Activities

Public Service Activities

Sheltering Homeless/ Homelessness Prevention Activities and Strategies

Housing and Neighborhood Improvement Activities

Health, Safety, and Public Welfare

Economic Development Activities

Slum and Blight Activities

Historic Preservation

Planning and Administration

The Citizen Participation Plan

The City has adopted a Citizen Participation Plan (CPP) as a part of the ConPlan that sets forth the policies and procedures to encourage citizen participation in the HOME, ESG, and CDBG programs planning and implementation processes. This CPP provides the method and process by which the City encourages citizen participation in the development of its ConPlan.

A copy of the City's Citizen Participation Plan is available for review at the Grants Division during normal business hours and is available on the City's website at www.moval.org.

The Annual Action Plan

Each year in May, the City of Moreno Valley is required to submit an update to the ConPlan to HUD, referred to as an Annual Action Plan (AAP). The AAP outlines the specific steps that will be taken during the year to address both the community development and housing priorities of the ConPlan. The AAP identifies how the HOME, ESG, and CDBG Program funds will be utilized to provide programs and projects that benefit low and moderate-income households and neighborhoods.

Copies of the City's AAP for prior program years are available for review at the Grants Division during normal business hours and are also available on the City's website at www.moval.org.

HOME, ESG, and CDBG Objectives and Policies

The City's Objectives for the HOME, ESG, and CDBG programs are summarized below (*listed alphabetically*), and additional detail can be found in the application booklet:

Capital Improvement Activities

Economic Development Activities

Health, Safety, and Public Welfare Activities

FY 2025/2026 Application Process and Review

On December 13, 2024, the City published Notice of Funding Availability (NOFA) for Fiscal Year 2025/2026 Application for Funding for HOME, ESG, and CDBG. According to the application guidelines, interested parties were informed to submit their completed applications by January 31, 2025, 3:00 pm. Programs and projects seeking funding from the City of Moreno Valley must address one or more of the Community Development Priorities set forth in the Five-Year Consolidated Plan, in addition to meeting all other conditions as summarized in the application booklet. A copy of the application booklet which provided additional information on the City's objectives and policies was made available on the City's website.

The City received fifteen (15) eligible applications requesting a total of \$4,741,250. This report does not include information about any applications that were incomplete, withdrawn, and/or deemed ineligible.

As part of the application process in preparation of the Annual Action Plan, the City contracts Avant-Garde Inc. to review applications for eligibility, compliance, risk analysis, and alignment with City Council approved policies and objectives for the HOME, ESG, and CDBG application proposals.

The summary of applications received is being shared at the Public Hearing scheduled for April 15, 2025. At this meeting, the City of Moreno Valley City Council will review the proposed projects. In line with the City's policies and objectives and the Citizen's Participation Plan, the final project selections will be made by the City Council via Public Hearing on May 6, 2025. The Annual Action Plan is scheduled to be submitted to HUD at least 45 days before the beginning of the program year, or sixty days after HUD announces its annual allocations

The following sections of this report contain the qualified applications received for FY 2025/2026.

Home Investment Partnerships Program (HOME)

Grant Purpose

The Home Investment Partnerships Program was established by Title II of the Cranston-Gonzalez National Affordable Housing Act. Although HUD has not yet released the City's funding allocations for FY 2025-2026, the City is using estimated allocations based on the allocations it received last year from HUD. The estimated HOME funds available to allocate for FY 2025/2026 are \$2,032,382. The objectives of the HOME Program include:

Expanding the supply of decent and affordable housing; primarily rental housing.

Strengthening the ability of state and local government to provide adequate supplies of decent, affordable housing.

Providing financial and technical assistance to participating jurisdictions, including the development of model programs for affordable low-income housing.

Extending partnerships among all levels of government and the private sector, including for-profit and non-profit organizations, in the production and operation of affordable housing.

Emergency Solutions Grants Program (ESG)

Grant Purpose

The Homeless Emergency Assistance and Rapid Transition to Housing Act of 2009 (HEARTH Act) amended the McKinney-Vento Homeless Assistance Act, revising the Emergency Shelter Grants Program in significant ways and renaming it the Emergency Solutions Grants Program. Although HUD has not yet released the City's funding allocations for FY 2025-2026, the City is using estimated allocations based on the allocations it received last year from HUD. The estimated allocation of ESG funds for FY 2025/2026 is \$173,935.

The ESG program is issued to assist, protect, and improve living conditions for the homeless. The program provides funding to:

- Engage homeless individuals and families living on the street.
- Improve the number and quality of emergency shelters for homeless individuals and families.
- Help operate shelters and provide essential services to shelter residents.
- Rapidly re-house and provide essential services to shelter residents.
- Prevent families/individuals from becoming homeless and provide essential services to those at risk of homelessness.

Community Development Block Grant (CDBG)

Grant Purpose

The Community Development Block Grant (CDBG) Program is authorized by Title I of the Housing and Community Development Act of 1974, as amended. The primary objective of the CDBG program is to develop viable urban communities by providing decent housing, a suitable living environment, and expanded economic opportunities, principally for persons of low and moderate income. Although HUD has not yet released the City's funding allocations for FY 2025-2026, the City is using estimated allocations based on the allocations it received last year from HUD. The estimated CDBG funds available to allocate for FY 2025/2026 are \$2,032,836.

The CDBG objective is to be achieved in two ways:

First, a grantee can only use funds to assist eligible activities that meet one of three national objectives of the program:

- Benefit low- and moderate-income persons.
- Aid in the prevention or elimination of slums and/or blight.
- Meet community development needs having a particular urgency.

Second, at least 70 percent of funds must be spent (over a period of up to 3 years) for activities that address the national objective of benefiting low and moderate-income persons.

TOTAL Estimated Available for Funding	\$2,032,836

*HUD has not released the allocations for FY 2025/2026, these amounts are estimates based on funding the City has received in prior years.

** The City may utilize prior-year uncommitted funds only towards non-public service activities.

CDBG Public Service – Limited to 15%

The City's Public Service priorities as approved by the Council are recapped below:

Priority 1: Basic Needs Related Social Services Programs (such as but not limited to emergency food and shelter (homelessness), abused children advocacy, and utility assistance)

Priority 2: Community Public Safety Programs

Priority 3: Programs Offering Low-Cost Transportation

Priority 4: Employment Services/Programs and Job (Skills) Training

Priority 5: Free/Low-Cost programs for School-Aged Youth

Priority 6: Fair Housing Activities

According to the CDBG regulations, the amount of CDBG funds obligated within a program year to support public service activities may not exceed 15% of the annual program allocation. As a result, the City's Public Service cap for projects for program year 2025/2026 is estimated to be limited to **\$293,555**.

There was a total of nine (9) public service applications received totaling a request of \$396,000 exceeding the estimated available funding by \$102,445.

This project will assist unsheltered individuals and families from Moreno Valley who are staying at Path of Life Ministries' emergency shelters. According to the 2023 Point-in-Time Count the top two barriers that contributed to people's homelessness were Family Disruption at 29% and Lack of Income at 20%. Emergency Shelter will provide them with shelter, showers, three meals, and case management services. Case Managers assess Shelter Guests' needs and create an Individual Service Plan (ISP), which is reviewed at weekly meetings when progress is evaluated, and new goals are set. They help them to obtain legal documents, apply for mainstream benefits, get pre-employment training, connect them with community resources, refer them to medical, mental health, and substance use providers, and identify viable housing options. The funding requested will increase vital case management.

Program Description:

Voices for Children's (VFC) Court Appointed Special Advocate (CASA) program addresses the needs of vulnerable children in foster care by providing them with the comprehensive, individualized advocacy of a CASA volunteer. CASAs are carefully screened and expertly trained to advocate on behalf of children and youth in Court at school, and throughout the community. They help children in foster care overcome challenges associated with the Adverse Childhood Experiences (ACEs) they have endured, like abuse or neglect, find stable homes, and pursue brighter futures. The cost of one year of CASA advocacy in Riverside County is \$2,000. A \$30,000 grant from the City of Moreno Valley CDBG program will allow VFC to support 15 youth from the City of Moreno Valley during fiscal year 2025-26. This funding will help cover the salaries of Advocacy Supervisors who manage the CASA volunteers and oversee these cases.

Program Description:

The Boost Program in Moreno Valley will provide targeted business and technical assistance to 50 low-to-moderate income microenterprise childcare providers, each employing fewer than five individuals. Over 12 months, participants will receive personalized coaching and access to digital tools, including marketing support, enrollment automation, and operational management systems, to streamline operations and improve financial sustainability. The program aims to retain at least 80% of existing jobs, create 15 new teaching assistance positions, and increase provider revenue by at least 20% for 30% of the participants. Additionally, providers will expand capacity, creating up to 700 new childcare slots for families in underserved areas. By stabilizing and growing local childcare businesses, Boost enhances economic opportunities, improves access to quality, affordable childcare, and strengthens the community's overall economic resilience.
