Why do you wish to serve on this Board and/or Commission?

I am seeking appointment to the Environmental and Historical Preservation Commission in order to bring my background in environmental policy and policy implementation to the current commission. I have had the opportunity to speak with current commissioners and this is an area of expertise that they are currently looking to bring to the team. Lastly, I want to remain committed and active in the betterment of my hometown of Moreno Valley.

List any education, training, or special skills, you have which may be relevant or of particular benefit to this Board and/or Commission:

I have worked in communications for the nation's largest environmental organizations. I believe this is relevant because there needs to be an effective messaging and campaign to educate, advocate, and implement the great ideas that come out of the commission.

Explain briefly your understanding of what this Board and/or Commission does, including its powers and limitations.

I understand that this is an advisory committee for Moreno Valley's City Council and is tasked with the responsibility of creative ideation, vetting, and recommendation on significant matters regarding environmental and historical concern for the city.

What do you hope to accomplish by your participation?

I hope to highlight opportunities for clean energy development within Moreno Valley and collaborate with city staff to identify actionable projects, contributing directly to the city's environmental and historical preservation goals.
