(b) No change in subconsultants or key personnel shall be made by the Consultant without written prior approval of the City.

SPECIAL PROVISIONS

9. It is understood and agreed that the Consultant is, and at all times shall be, an independent Consultant and nothing contained herein shall be construed as making the Consultant or any individual whose compensation for services is paid by the Consultant, an agent or employee of the City, or authorizing the Consultant to create or assume any obligation or liability for or on behalf of the City.

10. The Consultant may also retain or subcontract for the services of other necessary Consultants with the prior written approval of the City. Payment for such services shall be the responsibility of the Consultant. Any and all subconsultants employed by the Consultant shall be subject to the terms and conditions of this Agreement, except that the City shall have no obligation to pay any subconsultant for services rendered on the Project.

(d) If Consultant should subcontract all or any portion of the services to be performed under this Agreement, Consultant shall cause each subconsultant to also comply with the requirements of this Section 13.

14. Indemnification.

(a) Design Professional Services.

To the fullest extent permitted by law, including but not limited to Civil Code Section 2782.8, in performing design professional services, Consultant shall indemnify, defend, and hold harmless the City, the Moreno Valley Community Services District ("CSD"), and the Moreno Valley Housing Authority ("Housing Authority"), their officers, officials, employees, agents and volunteers from any and all liability, claims, demands, damages, costs (including reasonable attorney's fees), or injuries to any person (including injury to Consultant's employees) arising out of, pertaining to, or relating to the negligence, recklessness, or willful misconduct of Consultant, its officers, employees, agents, subconsultants, or anyone under its control in the performance of professional services under this Agreement. This indemnity obligation specifically does not apply to liability arising from (1) the sole negligence, (2) active negligence, or (3) willful misconduct of the City, CSD, or Housing Authority.

(b) Non-Design Professional Services and Construction Work.

For all services that are not design professional services and for any construction-related work, Consultant shall indemnify, defend, and hold harmless the City, CSD, and Housing Authority, their officers, officials, employees, agents and volunteers from any and all liability, claims, demands, damages, costs (including reasonable attorney's fees), injuries to any person (including injury to Consultant's

**AGREEMENT FOR PROFESSIONAL
CONSULTANT SERVICES**

employees), stop payment notices, direct and indirect job site losses, and losses of any kind arising from or connected with the performance of the work, including but not limited to defective workmanship, non-compliance with Contract Documents, or damage to adjacent properties. This indemnity obligation does not apply to liability arising from the sole negligence or willful misconduct of the indemnified parties.

If Consultant should subcontract all or any portion of the services to be performed under this Agreement, Consultant shall require each subconsultant to indemnify, hold harmless and defend City, CSD, Housing Authority and each of their officers, officials, employees, agents and volunteers in accordance with the terms of the preceding paragraph.

CalPERS Indemnity. To the fullest extent permitted by law, in addition to obligations set forth in this section, in the event that any person providing services under this Agreement is determined by a court of competent jurisdiction or CalPERS to be eligible for enrollment in CalPERS as an employee of the City, to the fullest extent of the law, Consultant shall indemnify, defend, and hold harmless City for any costs and expenses incurred by City, including without limitation, payment that City is required as a result to make to CalPERS, whether in the form of employee and/or employer contributions, taxes, or any similar obligations, as well as for the payment of any penalties and interest.

CalPERS Participation. As set forth in this Agreement and in the Request for Qualifications, City has an obligation to treat all persons working for or under the direction of Consultant as an independent Consultant of City and agents and employees of Consultant, and not as agents or employees of City. Consultant and City acknowledge and agree that City participates in a defined benefit plan ("CalPERS"), and that it is possible that CalPERS may find that persons providing services pursuant to this Agreement are employees of City and should be registered with the CalPERS as employees of City.

CalPERS Retiree Disclosure. Consultant hereby expressly agrees to clearly and conspicuously

AGREEMENT FOR PROFESSIONAL CONSULTANT SERVICES

disclose to City in writing any and all persons working for Consultant who are retirees under the California Public Employees' Retirement System (CalPERS) whom receives a monthly CalPERS retirement allowance, and whom are, subject to City approval, assigned by Consultant to provide services to City under the Agreement, prior to such person performing any services hereunder. Nothing herein shall be deemed or interpreted to limit a CalPERS retiree's obligations under applicable law, rules or regulations.

Joint Cooperation. In the event that CalPERS initiates an inquiry that includes examination of whether individuals providing services under this Agreement to City are City's employees, Consultant shall within five days and share all communications and documents from CalPERS that it may legally share. In the event that either Consultant or City files an appeal or court challenge, Consultant and City each agree to cooperate with each other in responding to the inquiry and any subsequent administrative appeal or court challenge of an adverse determination.

This section shall survive termination or expiration of this Agreement.

15. Insurance.

(a) Throughout the life of this Agreement, Consultant shall pay for and maintain in full force and effect all insurance as required in **Exhibit E** or as may be authorized in writing by the City Manager or his/her designee at any time and in his/her sole discretion.

(b) If at any time during the life of the Agreement or any extension, Consultant or any of its subconsultants fail to maintain any required insurance in full force and effect, all services and work under this Agreement shall be discontinued immediately, and all payments due or that become due to Consultant shall be withheld until notice is received by City that the required insurance has been restored to full force and effect and that the premiums therefore have been paid for a period satisfactory to City. Any failure to maintain the required insurance shall be sufficient cause for City to terminate this Agreement. No action taken by City pursuant to this section shall in any way relieve Consultant of its

**AGREEMENT FOR PROFESSIONAL
CONSULTANT SERVICES**

responsibilities under this Agreement. The phrase “fail to maintain any required insurance” shall include, without limitation, notification received by City that an insurer has commenced proceedings, or has had proceedings commenced against it, indicating that the insurer is insolvent.

(c) The fact that insurance is obtained by Consultant shall not be deemed to release or diminish the liability of Consultant, including, without limitation, liability under the indemnity provisions of this Agreement. The duty to indemnify City shall apply to all claims and liability regardless of whether any insurance policies are applicable. The policy limits do not act as a limitation upon the amount of indemnification to be provided by Consultant. Approval or purchase of any insurance contracts or policies shall in no way relieve from liability nor limit the liability of Consultant, its principals, officers, agents, employees, persons under the supervision of Consultant, vendors, suppliers, invitees, consultants, sub-consultants, subconsultants, or anyone employed directly or indirectly by any of them.

(d) Upon request of City, Consultant shall immediately furnish City with a complete copy of any insurance policy required under this Agreement, including all endorsements, with said copy certified by the underwriter to be a true and correct copy of the original policy. This requirement shall survive expiration or termination of this Agreement.

(e) If Consultant should subcontract all or any portion of the services to be performed under this Agreement, Consultant shall require each subconsultant to provide insurance protection in favor of City and each of its officers, officials, employees, agents and volunteers in accordance with the terms of this section, except that any required certificates and applicable endorsements shall be on file with Consultant and City prior to the commencement of any services by the subconsultant.

16. The waiver by either party of a breach by the other of any provision of this Agreement shall not constitute a continuing waiver or a waiver of any subsequent breach of either the same or a different provision of this Agreement. No provisions of this Agreement may be waived unless in writing

**AGREEMENT FOR PROFESSIONAL
CONSULTANT SERVICES**

and signed by all parties to this Agreement. Waiver of any one provision herein shall not be deemed to be a waiver of any other provision herein.

17. Prevailing Wage Requirements.

(a) Consultant and all subconsultants shall comply with California Labor Code §§ 1720-1861 regarding payment of prevailing wage rates for covered work. Consultant shall pay not less than prevailing wage rates as determined by the Director of Industrial Relations. Consultant shall post applicable wage determinations at each project site.

(b) For contracts over \$30,000, Consultant shall comply with apprentice employment requirements under Labor Code § 1777.5. Consultant shall be responsible for compliance with apprentice requirements by all subconsultants.

(c) Consultant shall maintain accurate payroll records in compliance with Labor Code § 1776, including employee names, addresses, social security numbers, work classifications, straight time and overtime hours worked, and actual wages paid. Consultant shall certify and submit payroll records to the City or Division of Labor Standards Enforcement upon request.

(d) Consultant acknowledges that failure to pay prevailing wages will subject Consultant to penalties under Labor Code §§ 1775 and 1813. The City may withhold contract payments to cover unpaid wages and penalties.

(e) Pursuant to Labor Code § 1725.5, Consultant and all subconsultants performing covered work must be registered with the Department of Industrial Relations (DIR). Consultant shall verify subconsultant DIR registration prior to subcontracting. This Project is subject to DIR compliance monitoring and enforcement.

(f) Consultant shall include these requirements in all subcontracts for covered work and ensure subconsultant compliance.

**AGREEMENT FOR PROFESSIONAL
CONSULTANT SERVICES**

18. (a) The Consultant shall deliver to the Public Works Director/City Engineer of the City or his designated representative, fully completed and detailed project-related documents which shall become the property of the City. The Consultant may retain, for its files, copies of any and all material, including drawings, documents, and specifications, produced by the Consultant in performance of this Agreement.

(b) The Consultant shall be entitled to copies of all furnished materials for his files and his subconsultants, if any.

(c) The City agrees to hold the Consultant free and harmless from any claim arising from any unauthorized use of computations, maps, and other documents prepared or provided by the Consultant under this Agreement, if used by the City on other work without the permission of the Consultant. Consultant acknowledges that Consultant work product produced under this agreement may be public record under State law.

19. (a) This Agreement shall terminate without any liability of City to Consultant upon the earlier of: (i) Consultant's filing for protection under the federal bankruptcy laws, or any bankruptcy petition or petition for receiver commenced by a third party against Consultant; (ii) 10 calendar days prior written notice with or without cause by City to Consultant; (iii) City's non-appropriation of funds sufficient to meet its obligations hereunder during any City fiscal year of this Agreement, or insufficient funding for the Project; or (iv) expiration of this Agreement. The written notice shall specify the date of termination. Upon receipt of such notice, the Consultant may continue services on the project through the date of termination, provided that no service(s) shall be commenced or continued after receipt of the notice, which is not intended to protect the interest of the City. The City shall pay the Consultant within thirty (30) days after the date of termination for all non-objected to services performed by the Consultant in accordance herewith through the date of termination. Consultant shall not be paid for any

**AGREEMENT FOR PROFESSIONAL
CONSULTANT SERVICES**

work or services performed or costs incurred which reasonably could have been avoided.

(b) In the event of termination due to failure of Consultant to satisfactorily perform in accordance with the terms of this Agreement, City may withhold an amount that would otherwise be payable as an offset to, but not in excess of, City's damages caused by such failure. In no event shall any payment by City pursuant to this Agreement constitute a waiver by City of any breach of this Agreement which may then exist on the part of Consultant, nor shall such payment impair or prejudice any remedy available to City with respect to the breach.

(c) Upon any breach of this Agreement by Consultant, City may (i) exercise any right, remedy (in contract, law or equity), or privilege which may be available to it under applicable laws of the State of California or any other applicable law; (ii) proceed by appropriate court action to enforce the terms of the Agreement; and/or (iii) recover all direct, indirect, consequential, economic and incidental damages for the breach of the Agreement. If it is determined that City improperly terminated this Agreement for default, such termination shall be deemed a termination for convenience.

(d) Consultant shall be liable for default unless non-performance is caused by an occurrence beyond the reasonable control of Consultant and without its fault or negligence such as, acts of God or the public enemy, acts of City in its contractual capacity, fires, floods, epidemics, quarantine restrictions, strikes, unusually severe weather, and delays of common carriers. Consultant shall notify City in writing as soon as it is reasonably possible after the commencement of any excusable delay, setting forth the full particulars in connection therewith, and shall remedy such occurrence with all reasonable dispatch, and shall promptly give written notice to Administrator of the cessation of such occurrence.

20. This Agreement is binding upon the City and the Consultant and their successors and assigns. Except as otherwise provided herein, neither the City nor the Consultant shall assign, sublet, or transfer its interest in this Agreement or any part thereof without the prior written consent of the other.

**AGREEMENT FOR PROFESSIONAL
CONSULTANT SERVICES**

21. A City representative shall be designated by the City and a Consultant representative shall be designated by the Consultant. The City representative and the Consultant representative shall be the primary contact person for each party regarding performance of this Agreement. The City representative shall cooperate with the Consultant, and the Consultant's representative shall cooperate with the City in all matters regarding this Agreement and in such a manner as will result in the performance of the services in a timely and expeditious fashion.

22. This Agreement represents the entire and integrated Agreement between the City and the Consultant, and supersedes all prior negotiations, representations or Agreements, either written or oral. This Agreement may be modified or amended only by a subsequent written Agreement signed by both parties.

23. Where the payment terms provide for compensation on a time and materials basis, the Consultant shall maintain adequate records to permit inspection and audit of the Consultant's time and materials charges under this Agreement. The Consultant shall make such records available to the City at the Consultant's office during normal business hours upon reasonable notice. Nothing herein shall convert such records into public records. Except as may be otherwise required by law, such records will be available only to the City. Such records shall be maintained by the Consultant for three (3) years following completion of the services under this Agreement.

24. The City and the Consultant agree, that to the extent permitted by law, all data shall be treated as confidential and will not be released to third parties without the prior written consent of both parties, both during the term of this Agreement and after its expiration or termination; provided, however, that nothing in this Section shall restrict the City's ability to disclose records as required by the California Public Records Act (Government Code § 6250 et seq.) or other applicable law.

25. (a) Consultant shall comply, and require its subconsultants to comply, with all

**AGREEMENT FOR PROFESSIONAL
CONSULTANT SERVICES**

At any time, upon written request of City, Consultant shall provide a written opinion of its legal counsel and that of any subconsultant that, after a due diligent inquiry, Consultant and the respective subconsultant(s) are in full compliance with all laws and regulations. Consultant shall take, and require its subconsultants to take, reasonable steps to avoid any appearance of a conflict of interest. Upon discovery of any facts giving rise to the appearance of a conflict of interest, Consultant shall immediately notify City of these facts in writing.

(b) In performing the work or services to be provided hereunder, Consultant shall not employ or retain the services of any person while such person either is employed by City or is a member of any City council, commission, board, committee, or similar City body. This requirement may be waived in writing by the City Manager, if no actual or potential conflict is involved.

(c) Consultant represents and warrants that it has not paid or agreed to pay any compensation, contingent or otherwise, direct or indirect, to solicit or procure this Agreement or any rights/benefits hereunder.

(d) Neither Consultant, nor any of Consultant's subconsultants performing any services on this Project, shall bid for, assist anyone in the preparation of a bid for, or perform any services pursuant to, any other contract in connection with this Project unless fully disclosed to and approved by the City Manager, in advance and in writing. Consultant and any of its subconsultants shall have no interest, direct or indirect, in any other contract with a third party in connection with this Project unless

**AGREEMENT FOR PROFESSIONAL
CONSULTANT SERVICES**

such interest is in accordance with all applicable law and fully disclosed to and approved by the City Manager, in advance and in writing. Notwithstanding any approval given by the City Manager under this provision, Consultant shall remain responsible for complying with Section 25(a), above.

(e) If Consultant should subcontract all or any portion of the work to be performed or services to be provided under this Agreement, Consultant shall include the provisions of this Section 25 in each subcontract and require its subconsultants to comply therewith.

(f) This Section 25 shall survive expiration or termination of this Agreement.

26. All Plans, drawings, Specifications, reports, logs, and other documents prepared by the Consultant in its performance under this Agreement shall, upon completion of the project, be delivered to and be the property of the City, provided that the Consultant shall be entitled, at its own expense, to make copies thereof for its own use.

27. The laws of the State of California shall govern the rights, obligations, duties, and liabilities of the parties to this Agreement, and shall also govern the interpretation of this Agreement. Venue shall be vested in the Superior Court of the State of California, County of Riverside.

28. Supplementary General Provisions. (For projects that are funded by Federal programs). These provisions supersede any conflicting provisions in the General Conditions and shall take precedence over the General Conditions for purposes of interpretation of the General Conditions. These provisions do not otherwise modify or replace General Conditions not in direct conflict with these provisions. Definitions used in these provisions are as contained in the General Conditions.

- a) Consultant shall be subject to the administrative, contractual, and legal remedies provided in the General Conditions in the event Consultant violates or breaches terms of the Agreement.
