SECTION V: QUESTIONS

I am applying to be a:

Commissioner Shirt Size L

Member at Large

Please answer the following questions. Use additional sheets if necessary and reference the question:

Why do you want to serve on the City's Emerging Leaders Council?

I would like to serve on the City's Emerging Leaders Council because I would like to engage and be more involved in my community. I would like to help city leaders gain a better understanding of the issues that affect the youth in the city. Serving on the Council will help me gain a better understanding of how city legislation works. I also hope to meet some of the great leaders of this city and, possibly, receive some mentoring from them.

Describe any experience you have had that has prepared you to serve on the Council.

I have a lot of leadership and teamwork experience. In middle school, I was the Sergeant at Arms. In high school, I was on the Student Advisory Council for the Health Academy. Also, I participated in an entrepreneurship program, where I was selected to be the spokesperson for the program. I had to present the business idea to a group of investors, who then funded the idea.

What issues would you address or activities would you plan if you were a Council Member?

One issue I would like to address is youth employment and career training. I would also like to address the city's homeless population issue. I hope to contribute some ideas that may offer resolutions to these issues.

What do you think is one of the major issues teens/young adults face in Moreno Valley and how would you address it?

I think that one of the major issues teens/young adults face in Moreno Valley is the peer pressure to do drugs. I would address this by bringing up the idea of having Drug Education classes at schools in Moreno Valley. This class would bring up the dangers and risks of using drugs, as well as encourage students to not use them.

What do you hope to accomplish by your participation on the Emerging Leaders Council? How will your participation enhance your future goals and objectives?

I hope to bring some insight on issues facing the youth of this community. I would like to establish Drug Education classes in schools throughout Moreno Valley. Additionally, I would like to help find ways to help the homeless find suitable housing. I hope to bring awareness to the importance of providing youth employment and career training programs. I also hope to gain valuable experience and develop my leadership skills.

Are you able to commit to participating in one meeting per month? Each meeting can last approximately two hours.
