I am applying to be a:

Member at Large

**Please answer the following questions. Use additional sheets if necessary and reference the question:**

Why do you want to serve on the City's Emerging Leaders Council?

I want to serve because I want to help out my community and other youth like me. I also want to meet with like-minded people my age. Another reason I want to serve is because I want to get a hands-on experience with serving on a public commission that helps the people because I want to be a politician when I'm older so I can make the world a better place

Describe any experience you have had that has prepared you to serve on the Council.

I have attended and observed a lot of city meetings and public arts commission meetings. I also am involved in school clubs like enlightenment club and bible club that discuss issues that youth at our school face and what we can do to help.

What issues would you address or activities would you plan if you were a Council Member?

Issues I would address is lack of youth participation and preparation for their future. A problem I also notice is that there are no life skills being taught to the youth that can be addressed. Another issue that I look forward to solving is that there aren't that many youth activities in the city.

What do you think is one of the major issues teens/young adults face in Moreno Valley and how would you address it?

A major issue that teens and young adults face is that there are not many opportunities for them in Moreno Valley. Other issues are that there aren't that many places for the youth to go for recreation. Another issue is that the city isn't that walkable making it hard for the youth to get to places on their own.

What do you hope to accomplish by your participation on the Emerging Leaders Council? How will your participation enhance your future goals and objectives?

I look forward to solving these issues on the Emerging Leaders council. I also look forward to cooperating with others and developing skills that prepares me for a successful political career.

Are you able to commit to participating in one meeting per month? Each meeting can last approximately two hours.
