**L. REGIONAL COMMISSION/COMMITTEE/BOARD REPORTS**

L.1 March Joint Powers Commission (JPC)

Councilmember Delgado reported the following:

The Commission approved an extension to a contract for the demolition of Building 976, a former military dormitory that was previously occupied by a homeless veterans housing program hosted by US Vets Initiative, and Building 962, a former dining hall facility in the Northeast Corner Planning area.

The Commission received a report for Foreign Trade Zone No. 244, which the March Joint Powers Authority operates. Foreign Trade Zone No. 244 continues to be one of the top-performing Foreign Trade Zone programs in the State of California. In both 2022 and 2023, Foreign Trade Zone No. 244 ranked among the top four Foreign Trade Zone programs statewide, following only the larger programs serving the Ports of Los Angeles, Long Beach, and San Diego.

The Commission approved a contract to provide professional services for construction plan preparation and bidding services for the next phase – Apron Reconstruction Phase 13 Project.

The Commission approved multiple Federal Aviation Administration grants totaling \$6,269,703 for apron reconstruction phases 14 and 15, and a crack seal project.

The Commission approved a sublease consent related to the reuse of former office and storage space between Metrea Strategic Mobility Inc. and Alameda BC, LLC, and approved an associated parking agreement for five (5) preferential aircraft parking spaces. Metrea is a Department of Defense refueler for the Air Force and Navy that is based at March.

L.2 Riverside County Habitat Conservation Agency Board of Directors (RCHCA)

None.

L.3 Riverside County Transportation Commission (RCTC)

None.

L.4 Riverside Transit Agency Board of Directors (RTA)

None.

L.5 Western Riverside Council of Governments Executive Committee (WRCOG)

Mayor Pro Tem Baca-Santa Cruz reported the following:

At the October 6, 2025, WRCOG Executive Committee Meeting, reports for Fiscal Department activities, committees, agency activities, and various (external) committees were received and filed.

Additionally, the Executive Committee discussed the following key items:

**Environmental Program Activities Updated**

- In FY 2024/2025, the Used Oil Program held 30 used motor oil filter exchange events at Certified Collection Centers, collecting and exchanging more than 2,100 used oil filters.
- In FY 2024/2025, the Love Your Neighborhood Program hosted 15 community cleanup events in partnership with member agencies, removing over 13,900 pounds of trash with the help of more than 1,700 volunteers.
- EcoHero conducted 28 educational presentations across the western Riverside County, engaging over 6,000 students in learning about proper used oil disposal and the importance of pollution prevention.

**Annual PACE Unclaimed HERO Refunds Escheatment Update**

- For the 2024 reporting cycle, which covered unclaimed refunds issued between July 1, 2020, and June 30, 2021, staff identified 615 unclaimed statewide refunds totaling \$1,056,324.81. The remaining unclaimed refunds were remitted to the State of California by June 15, 2025.
- For the 2025 reporting cycle, covering refunds issued between July 1, 2021, and June 30, 2022, staff identified 446 unclaimed statewide refunds totaling \$697,128.32. These unclaimed refunds will be remitted to the State on June 15, 2026.
- In previous years, Executive Committee members have requested contact information of individuals with unclaimed refunds in their jurisdictions. However, legal counsel has advised against this

approach. Providing that information could be seen as disclosing private financial details, which raises privacy concerns and could expose WRCOG to legal or reputational risk.

- If Executive Committee members are interested in supporting outreach efforts, staff encourage property owners to visit WRCOG's website at <https://wrcog.us/348/Unclaimed-HERO-Refunds> for information on how to claim their unclaimed HERO refund. A flyer was also included in the staff report for Committee members to share with their constituents to help spread the word.

### **I\_REN Programmatic Activities Update**

- I-REN's Cash for Kilowatts Program provides incentive funds to agencies for holistic energy efficiency projects. Additional incentives are offered for cooling centers and emergency operation centers. For every kilowatt of energy that an emergency operation or cooling center project saves, I-REN will give up to \$2.00/kWh of incentives to offset project costs. I-REN will offer the \$2.00/kWh bonus to any project committed in 2025. Please contact Karina Camacho for more details [kcamacho@wrcog.us](mailto:kcamacho@wrcog.us).
- I-REN's first Cash for Kilowatts incentive was awarded to Colton Joint Unified School District for an LED lighting project at Joe Baca Middle School. The total incentive is estimated to be over \$220,000 and covers 80% of the gross project cost.
- I-REN Fellows are helping host agencies secure \$1.3M in incentives from I-REN's Cash for Kilowatts and \$4.1M in lifetime savings. I-REN is responsible for recruiting fellows, managing applications,
- funding the fellow stipend, and handling administration. Host agencies select their Fellow, assign tasks, and provide a laptop, supervisor, and workspace. Agencies that are interested in hosting an I-REN Energy fellows, please contact Tyler Masters at [tmasters@wrcog.us](mailto:tmasters@wrcog.us).
- I-REN is awarding a total of \$3M to the San Bernardino and Riverside County Workforce Boards, \$1.5M for each County, to create and fund workforce trainings programs and pipelines for careers in the energy field. The aim is to connect unemployed residents and those interested in upskilling into high-demand clean energy careers. Over the next two and a half years, the programs

will provide over 100 participants with clean energy training and job placement support.
