Experience

Mural Painter

Independent | 2019 – Present

- **Moreno Valley, CA** – Painted a **Veterans of Foreign Wars Post mural (2024)** depicting an infantry soldier. Proposed additional civic mural concepts on the citrus industry, Box Springs Mountain, and social justice themes.
- **Rancho Cucamonga, CA** – Designed and completed a **utility box wrap inspired by Route 66**, connecting local history and transportation culture to public art.
- **Ontario, CA** – Painted **Astronaut Victor Glover** on a city utility box, celebrating his contributions to space exploration.
- Organized and led **community art workshops**, teaching youth about street art, mural design, and public art as a form of storytelling.

Arts Educator

2015 – Present

- Taught **visual arts at the high school level**, building and delivering courses in drawing, painting, 3D design, and multicultural art.
- Guided students in exhibiting their work at **district-wide art shows** and community exhibitions.
- Invited as a **guest speaker and facilitator** for workshops on mural painting and public art across the Inland Empire.

Freelance Artist & Designer

Ongoing

- Created **logos, flyers, postcards, and design work** for local organizations.

- Produced **stickers, prints, and digital art** for online sales, often focused on military commemoration and community heritage.
 - Completed **video and illustration projects** supporting mural initiatives and educational presentations.
