

# Artist Introduction

My name is Aivaree and I am a high school senior that will be graduating this spring.

I love art, it has always been a way to express myself, whether it be through drawings on paper or digital creations, it is something I really love doing. I enjoy drawing animals, nature scenes and fantasy creatures the most.

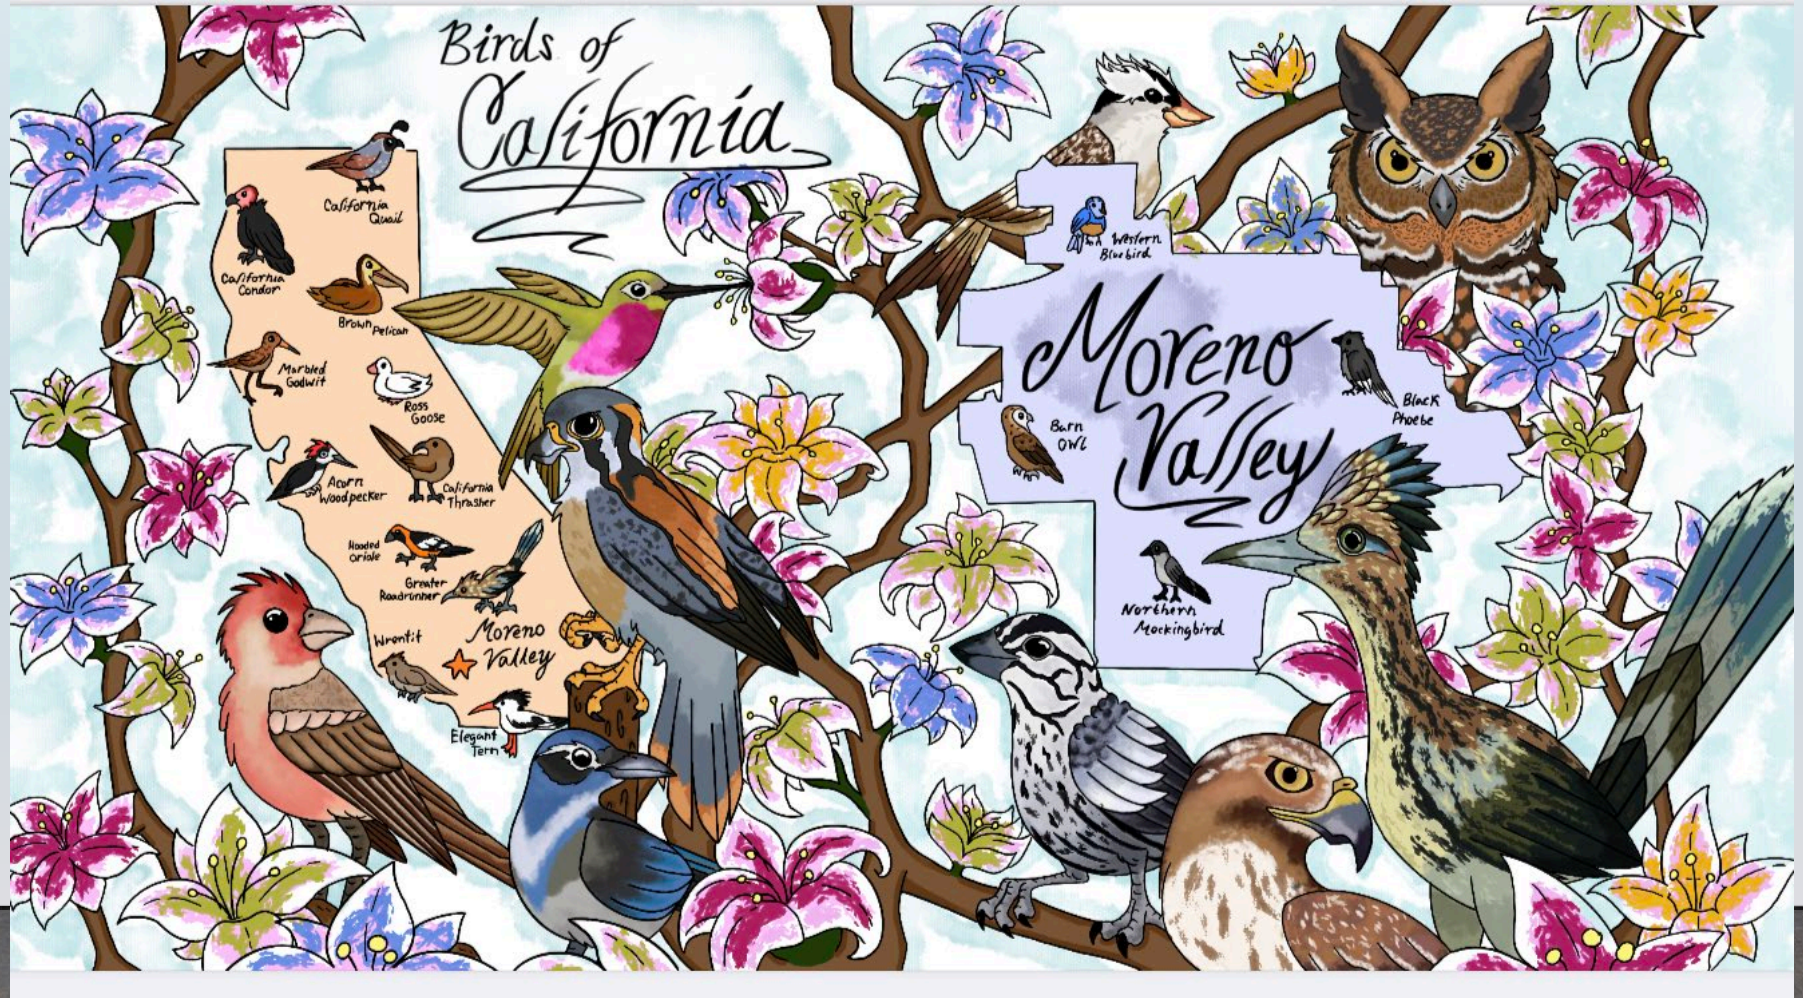

When I enter college this fall, I plan to study Animal Science and hope to become a veterinarian.

# Samples of Past Work

# Proposed Art project

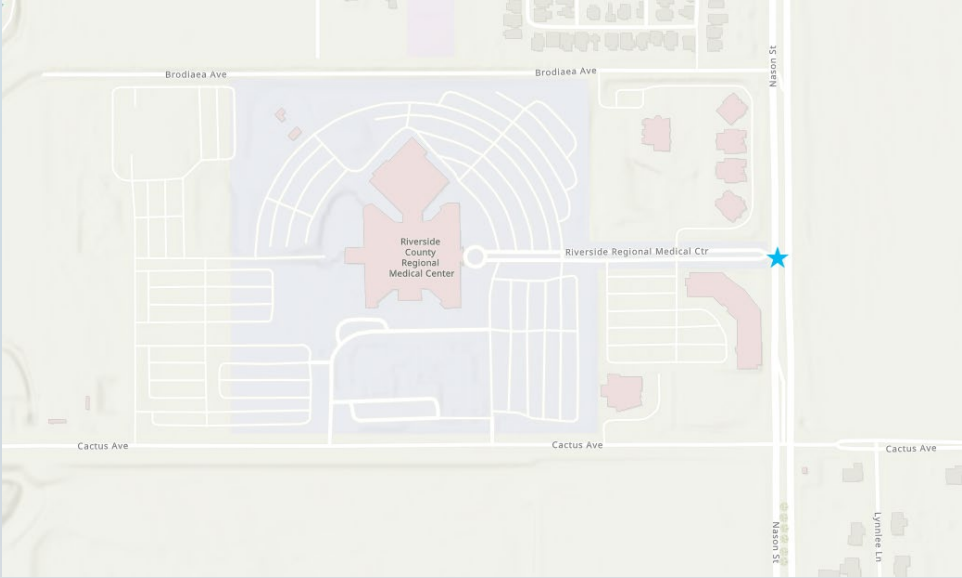

“The Birds of Moreno Valley and California”

# Proposed Location and Budget

The budget I have requested for my artwork is \$500.

Corner of Nason St. & Hospital

Thank You!
