Public Art includes works of a permanent or temporary nature. "Public Art" can be in the form of exhibit, performance, installation, integration of art and architecture, and a unique physical environment or feature that integrates art in the city. Eligible mediums include but are not limited to painting, mural, drawing, sculpture, photography, landscaping, water feature, components of a building, works of sound and/or light, and spoken word. Mass produced or standardized art, mechanical reproductions, or directional signage are not eligible mediums.
